

# SPEEDFLOOR

## Franchise Opportunity available

Speedfloor is a suspended concrete floor system using a cold formed steel joist as an integral part of the final concrete and steel composite floor.

The Speedfloor concrete floor system is a proven performer in all types of construction.

- Speedfloor Building Systems is expanding and have an opportunity for a limited number of Franchises in NSW, QLD and SA.
- Speedfloor is fast becoming a leader in the suspended concrete flooring market with hundreds of completed projects Australia wide.
- Speedfloor is a cost effective flooring system with huge growth potential in the Australian market.
- Speedfloor Building Systems provide on-site and off-site training and support in both practical and administrative environments.
- Speedfloor offers affordable upfront costs to its franchise owners.
- Speedfloor introduces innovative new products to the business regularly.

**To become a Speedfloor team member** you would ideally be a self motivated, capable person with construction experience (Carpentry, Building, Concreting or other relevant trades). Possess business to business sales skills and a good level of customer service.

If you are looking for an opportunity to develop a sound business with growth potential in the construction industry, check out our website, give Michael a call or email to discuss the Speedfloor business opportunity in more detail.
